Have We Coats For Spring?

Yes, Madam, step right this way. But you'd better hurry, as they are moving rapidly. We were surprised at the number sold last week. We still have some of the prettiest styles left and advise a prompt selection.

New Smart Styles in Skirts and Dresses

Let us show you. We absolutely know that we save you three to five dollars on every skirt as compared with Port Huron and Detroit prices. The same line of skirts that we handle is sold in Port Huron and we know their prices.

For "Women Who Care"

We handle the J. C. C. and College Girl Corsets. We have styles for every form. For GIRLS fifteen years and older we recommend No. 334. You will be delighted. Dozens of Yale's best dressed young ladies are wearing it. Why not YOU?

GROCERIES

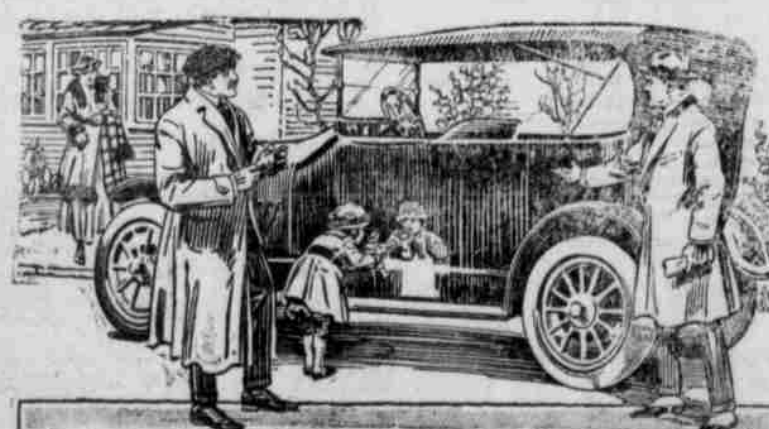

We are prepared to take care of your Grocery wants and as usual can save you money.

BUSTER BROWN, our new flour has been tried. One good lady sent us a sample of the bread. It was fine. She has tried many kinds but **BUSTER BROWN** surpasses all. If you buy a sack this week you get a 20c can of Calumet Baking Powder FREE.

Ask for **LARENA** or **BRITE MAWNIN** coffee. They are better, and we sell them at 55c and 50c. Buy either of these coffees, use it three mornings, and if not "actually pleased" return what is left and get all your money back.

Our Policy is "To Please All Our Customers All the Time."
